U.S. District Court

Hi Clerk, I Filed my case at a filing fee of \$150.00. AT this time I should of payed the whole \$150.00, Filing fee.

However, I think the ~~Business~~ Business office here sent your office a over payment of \$17.00.

What is the Balance due on the filing fee due if any, as of January 23, 2007?

What is the Total cost of the agreed filing fee?

I await your response.
